11:00 am-12:30 pm  Registration Opens

* Lumen Global participants are requested to be in their seats by 12:30 PM as per instructions from the Royal Palace to facilitate Inauguration by HRH Princess Chulabhorn Walailak*

1:00 pm  Lumen Global 2014 Inauguration by HRH Princess Chulabhorn Walailak

1:30-1:45 pm  Welcome & Introduction
Sameer Mehta MD

1:45-2:15 pm  Lumen Global Keynote Lectures
1:45-2:00 pm  1. STEMI Interventions in Asia Pacific
Robaayah Zambahari MD

2:00-2:15 pm  2. AMI Care in Thailand: Large Hurdles and Huge Possibilities
Damras Tresukosol MD

2:15-3:00 pm  STEMI Interventions—Tackling the Big Issues
2:15-2:30 pm  STEMI Care Begins Pre-Hospital
Ivan Rokos MD

2:30-2:45 pm  Critical Importance of STEMI Networks
Christopher Granger MD

2:45-3:00 pm  Urban Pharmaco Invasive Management – An Antidote to Traffic!
David Iosseliani MD

3:00-3:30 pm  Break – High Tea

3:30-6:00 pm  STEMI Interventions Around the World

3:30-5:00 pm  Reports from Lumen Global Country Directors
8 min/speaker
China- Jiyan Chen MD
India- Upendra Kaul MD
Thailand- Wasan Udayachalerm MD
Indonesia- Sunarya Soerianata MD
Malaysia- Rosli Mohammed Ali MD
UAE- Brajesh Mittal MD
Singapore- Lim Soo Teik MD
Sri Lanka- Gotabhaya Ranasinghe MD
Myanmar- Kyaw Soe Win MD
Philippines- Timothy Dy MD
Vietnam- Pham Manh Hung MD
Hong Kong(China)- Michael Lee MD

5:00-6:00
Lumen Global Panel Discussion:
How Can Asia Benefit from STEMI Management in Europe and America
and
All your STEMI Questions Answered!
Panelists: Evgeny Shlyakhto MD, Yong Huo MD, Tan Huay Cheem MD, Chris Granger MD, Ivan Rokos MD, Cindy Grines MD, Michel Le May MD, Holger Thiele MD, Damras Tresukosol MD, Roopa Salwan MD, David Iosseliani MD

6:00-8:00pm
Lumen Global Cocktail Reception
Venue: Crystal Room – Plaza Athénée

Program
MC: Wacin Buddhari MD, Wiwun Tungsubutra MD

Lumen Global Faculty Recognition
Inspiration: Courage and Determination—A STEMI Expert on Mt. Everest!
Sasko Kedev MD

Saturday, January 4, 2014

7:00-8:00 am
Registration/Breakfast

8:00-10:00 AM
Role of Thrombolytic Therapy in the STEMI Interventions Era
8:00-8:15 am  Thrombolytic Therapy in 2014: For Whom, How, Which Agent?  
Cindy Grines MD

8:15-8:30 am  Thrombolytic Therapy in Asia  
Wacin Buddhari MD

8:30-8:45 am  Practical Issues about Pre-Hospital Thrombolysis  
Evgeny Shlyakhto MD

8:45-9:00 am  Fate of Patients Post Thrombolysis  
Mann Chandavimol MD

9:00-9:15 am  Innovative Use of Thrombolytic Therapy in a Large Network  
Timothy Henry MD

9:15-9:30 am  Optimal STEMI Intervention Post Thrombolysis  
Michel Le May MD

9:30-10:00 am  Thrombolytic Therapy: Moderated Q & A  
Panelists: Yong Huo MD, Hongbing Yan MD, Jiyan Chen MD, Tan Huay Cheem MD, Wasan Udayachalerm MD, Sarana Boonbaichaiyapruck MD, Roberto Botelho MD, Sasko Kedev MD

10:00-10:30 am  Coffee Break

10:30-12:30 am  STEMI Interventions in Women

10:30-10:45 am  Critical Issues & Disturbing Trends  
Alexandra Lansky MD

10:45-11:00 am  STEMI Interventions: American Perspective  
Cindy Grines MD

11:00-11:15 am  STEMI Interventions: Asian Perspective  
Robaayah Zambahari MD

11:15-11:30 am  STEMI Interventions: Thai Perspective  
Wiwun Tungsbuttra MD

11:30-11:45 am  Cultural Barriers & Unique Obstacles  
Roopa Salwan MD

11:45-12:00 am  STEMI in Women: The Way Forward  
Alexandra Lansky MD

12:00-12:30 pm  STEMI in Women: Moderated Q & A  
Panelists: Cindy Grines MD, Robaayah Zambahari MD, Wiwun Tungsbuttra MD, Roopa Salwan MD, Tan Huay Cheem MD, Jiyan Chen MD

12:30-2:00 pm  Lunch Symposium 1  
Role of Prompt and Potent Antiplatelet Therapy in STEMI Management  
(Sponsored: Daiichi Sankyo)

Panelist: Damras Tresukosol MD, Cindy Grines MD
Lunch Symposium 2
The Biovascular Scaffold (Sponsored: Abbott Vascular)

Panelists: Ashok Seth MD, Wasan Udayachalerm MD, Yong Huo MD, Neeraj Bhalla MD

2:00-3:15 pm  **State-of-the-art Anticoagulation in Myocardial Infarction**
Sponsored: The Medicines Company
Chairpersons: Timothy Henry MD, Ashok Seth MD

2:00-2:20 pm  Introduction and Welcome
Timothy Henry MD, Ashok Seth MD

The Importance of Direct Thrombin Inhibitors in ACS
Michael Lee MD

2:20-2:30 pm  Bivalirudin vs. Heparin - Based Regimens in STEMI
Timothy Henry MD

2:30-2:40 pm  Bivalirudin in Trans Radial Interventions
Martial Hamon MD

2:40-2:50 pm  Cangrelor: The Game Changer in STEMI Interventions
Michel Le May MD

2:50-3:00 pm  Bivalirudin Use in an Ultra Busy Cath Lab
Upendra Kaul MD

3:00-3:15 pm  Panel Discussion, Q & A

Panelists: B Navasundi Girish MD, Michel Le May MD, Michael Lee MD; Martial Hamon MD; Timothy Henry MD; Sameer Mehta MD

3:15 - 4:30 pm  **Left Ventricular Support in STEMI Interventions**
Sponsored: Abiomed Inc.
Chairpersons: Sameer Mehta MD, Cindy Grines MD, Ashok Seth MD

3:15-3:35 pm  Pathophysiology of Cardiogenic Shock
Cindy Grines MD

3:35-3:55 pm  The Importance of Left Ventricular Support in STEMI Interventions
Sameer Mehta MD

3:55-4:15 pm  Technical Tips for Using the Impella Device
Timothy Henry MD

4:15-4:30 pm  Panel Discussion, Q & A

Panelists: Timothy Henry MD, Cindy Grines MD, Hongbing Yan MD, Ashok Seth MD, Sameer Mehta MD

4:30-5:00 pm  Coffee Break

5:00-5:45 pm  **The Art and Science of Building STEMI Networks**

5:00-5:15 pm  A Report from the Mission: Lifeline Regional Systems Accelerator Program:
What Have We Learned?  
Christopher Granger MD

5:15-5:30 pm  Establishing a Regional Network for STEMI Treatment – Special Considerations from Europe  
Holger Thiele MD

5:30-5:45 pm  Top Ten Lessons Learned from STEMI Networks  
Timothy Henry MD

5:45-6:00 pm  Building STEMI Networks: Moderated Q & A  
Panelist: Evgeny Shlyakhto MD, Damras Tresukosol MD, Michael Lee MD, Sunarya Soerianata MD, Rosli Mohammed Ali MD, Pham Manh Hung MD, Gotabhaya Ranasinghe MD, Kyaw Soe Win MD

6:00 pm  Meeting Adjourned

**Sunday, January 5, 2014**

7:00-8:00 am  Registration/Breakfast

8:00-11:30 am  Improving the STEMI Procedure  
Chairpersons: Michel Le May MD, David Iosseliani MD

8:00-8:30 am  Compulsive Management of Thrombus  
*Illustrated Cine Angiograms Demonstrating Thrombus Management*  
Surya Dharma MD, Bagirath Raguraman MD, R. Keshava MD, Wasan Udayachalerm MD, Ben He MD, SM Ashraf MD, David Iosseliani MD

8:30-9:00 am  Trans Radial STEMI Interventions  
*Illustrated Cine Angiograms Demonstrating Trans Radial Interventions*  
Sasko Kedev MD, Roberto Botelho MD, Sunarya Soerianata MD, Rosli Mohammed Ali MD, Henry Ting MD, Damara Seshgiri Rao MD

9:00-9:30 am  Avoiding No Re-flow and Other Complications  
*Illustrated Cine Angiogram Demonstration*
Michel Le May MD, Jiyan Chen MD, Upendra Kaul MD, Sarana Boonbaichaiyapruck MD, Michael Lee MD

9:30-10:00 am  
Cardiogenic Shock  
Illustrated Cine Angiograms Demonstration  
Holger Thiele MD, Cindy Grines MD, David Iosseliani MD, Ashok Seth MD, Yong Huo MD

10:00-10:30 am  
Coffee Break

10:30-11:30 am  
Review of Cine Submissions from Participants  
Panelists: Mann Chandavimol MD, Brajesh Mittal MD, Wacin Buddhari MD

11:30 am-12:00 pm  
Lumen Global Achievement Award 2014  
Recipient – Dr. Michel Le May  
Master Lecture – Critical Issues in STEMI Interventions: New Antiplatelet Agents, Timing for Staged PCI, and Role of IABP Counter pulsation

12:00-12:30 pm  
Lumen Global STEMI Centers of Excellence 2013: Progress and Remaining Challenges

12:00-12:15 pm  
Max Infarct Delhi Angioplasty Study (MIDAS)  
Roopa Salwan MD

12:15-12:30 pm  
BL Kapur Memorial Hospital  
Neeraj Bhalla MD

11:45-12:00 pm  
Panel Discussion  
Panelists: Alexandra Lansky MD, Hongbing Yan MD, Chris Granger MD, Timothy Henry MD

12:30–2:00 pm  
Lunch Symposium 1  
MGuard Stent (Sponsored: Inspire-MD)  
Panelist: Upendra Kaul MD, Chan Lotan MD, Roopa Salwan MD, Roberto Botelho MD

Lunch Symposium 2  
Biolimus Stent in AMI (Sponsored: Biosensors)  
Panelist: Damras Tresukosol MD, Wacin Buddhari MD, Rosli Mohammed Ali MD, Lim Soo Teik MD

2:00-3:45 pm  
Lumen Global Keynote Lecture  
STEMI Interventions: New Frontiers

2:00-2:15 pm  
Hypothermia and Cooling  
Michael Mooney MD

2:15-2:30 pm  
Role of Telemedicine in STEMI Interventions  
Roberto Botelho MD

2:30-2:45 pm  
New Insights into Mechanisms of STEMI  
Tan Huay Cheem MD

STEMI Interventions: Miscellaneous Topics

2:45-3:00 pm  
Developing the World’s Biggest STEMI Network
Yong Huo, MD

3:00-3:15 pm  Role of the Cardiac Surgeon in STEMI Interventions
   Bruce Rosengard, MD

3:15-3:30 pm  Pharmacoinvasive Strategy in China: Insight from MR Results of EARLY-MYO Trial
   Ben He MD

3:30-3:45 pm  Lifestyle Modifications, Medication & Relaxation
   Nithi Mahanonda MD

3:45-4:15 pm  Coffee Break

4:30-6:00 pm  Thai Medical Association– Empowering the Family Physician in Managing AMI

   Focus Issues: Early and definitive recognition of AMI, Immediate identification of low and high risk patient, Urgent decision for choosing appropriate modality for your patient – Thrombolysis or Primary PCI, Picking appropriate thrombolytic agent, Urgent medical stabilization, Recognizing and Managing life-threatening complications, Pre-Hospital Management and pharmacology, Managing both successful and failed thrombolysis, Post MI care and Prevention.

   Lumen Global Panel: Cindy Grines MD, Alexandra Lansky MD, Chris Granger MD, Mann Chandavimol MD, Sarana Boonbaichaiyapruck MD, Damras Tresukosol MD, Wasan Udayachalam MD, Ben He MD

6:00 pm  Meeting Adjourn

7:00-10:00 pm  Faculty Dinner
